## **2015 Mazda CX-5 - Upgraded Standard Equipment and Infotainment**

- 2015 Mazda CX-5 upgraded model range, priced from £22,295 to £30,595 on-the-road (OTR), on sale in the UK in spring this year
- 16-strong two-and all-wheel drive range featuring improved standard equipment throughout SE-L, SE-L Lux and Sport Nav model grades
- New DAB radio, 7-inch colour touch screen, Multimedia Commander, MZD Connect infotainment and an Integrated Navigation system
- Technologically enhanced Sport Nav option Safety Pack, including Adaptive LED headlamps (ALD), Lane-keep Assist System (LAS) and Driver Attention Alert (DAA), Advanced Blind Spot Monitoring with Rear Cross-Traffic Alert (BSMw/RCTA), and Rear Smart City Brake Support (RrSCBS)

The 2015 Mazda CX-5 upgraded model goes on sale in the UK in spring this year. Priced from £22,295 to £30,595 on-the-road (OTR), the 16-strong model range features significant interior trim and standard equipment specification upgrades, as well as exterior enhancements.

The 2015 Mazda CX-5 model range is available in three grades; SE-L, SE-L Lux and Sport Nav. The range comprises three 2.0 litre petrol two-wheel drive variants equipped with six-speed manual transmissions, and thirteen 2.2 litre diesel versions - six of which are available with all-wheel drive - fitted with a choice of six speed manual or automatic transmissions.

'No other vehicle in the Mazda range demonstrates the value of SKYACTIV technology more clearly than the Mazda CX-5' commented Mazda UK Sales Director, Peter Allibon. 'It has allowed the company to build a Compact SUV that delivers outstanding fuel economy and low CO<sub>2</sub> emissions without compromising either performance or driving dynamics. And now, for 2015, significant enhancements and standard equipment upgrades make the Mazda CX-5 more price-competitive than ever before.'

The standard equipment specification of every model in the CX-5 line-up has been enhanced through the addition of manual front passenger seat height adjustment, an electronic parking brake, a coming/leaving home headlamp function, and the company's Multimedia Commander with separate volume dial for safe, intuitive interactivity and infotainment control.

A new 7-inch, full-colour, centre console touch-screen incorporates DAB radio, two ports for USB connectivity and MZD Connect. Paired with a smartphone, MZD Connect makes it easier to take advantage of functions such as internet connectivity and access to social networking services.

Top-of-the-range Sport Nav models benefit from new exterior features including 19-inch Gunmetal alloy wheels, LED headlamps including LED daytime running lights, and LED foglamps.

On board, an already comprehensive Sport Nav standard equipment specification is further bolstered by a new Integrated Navigation system which offers greater accuracy, improved search features and three years of free map updating.

SE-L Lux and Sport Nav grade options now include Stone Leather upholstery (in lieu of black), whilst the Sport Nav options list further benefits from Mazda Radar Cruise Control, and an evolution of the Safety Pack which incorporates several newly-developed technologies.

Adaptive LED headlamps (ALH) automatically adjust the array of high beam illumination to avoid dazzling the occupants of both oncoming and preceding vehicles, without the need to switch to low beam lighting.

The Lane-keep Assist System (LAS) with Driver Attention Alert (DAA) builds on the existing Lane Departure Warning system, providing steering wheel vibration and assisted steering if the driver strays from the middle of the chosen lane. Having first learned the owners driving style, DAA operates at speeds of over 40mph, alerting drivers to take a break if it detects a degradation in driving style indicating fatigue.

Advanced Blind-Spot Monitoring with Rear Cross-Traffic Alert (BSMw/RCTA) combines two systems in one for greater safety. The system's larger detection area to the side and rear of the vehicle,

3,

## Standard Equipment

*All 2015 Mazda CX-5 SE-L models have the following standard equipment:*

### Exterior

#### **SE-L**

17-inch alloy wheels  
Halogen headlights  
Halogen front fog lights and daytime running lights  
Front and rear parking sensors  
Heated door mirrors with integrated indicator lights  
Privacy glass

#### **SE-L Lux grade adds**

Power tilt and slide sunroof

#### **Sport Nav grade adds**

19-inch Gunmetal alloy wheels  
Adaptive front lighting system (AFS)  
LED headlamps including LED daytime running lights  
LED front fog lights  
Reversing camera

### Interior

#### **SE-L**

New black cloth upholstery  
Manual height adjustable driver and passenger seat
